

USING CONTINUOUS IMPROVEMENT PROGRAM (CIP) FOR BUSINESS SUSTAINABILITY

Opportunity Capture and Problem-Solving Decision Making (OCPSDM)

PROGRAM HIGHLIGHT

This program is part of the requirements for auditable management systems (ISO), as well as the voluntary management systems (BSC, LMS, TPM, TPS, VMS, etc.). Participants shall be trained on solving problem and capturing opportunity using various CIP tools. These tools are applicable at all stages of problem solving or opportunity capture processes, including for the application of problem or opportunity identification, root cause analysis, solution determination and validation of result.

Who Should Attend This Training?

Personnel who intend to assume the responsibility of managing continuous improvement initiatives. This should also include personnel responsible in managing ISO based management systems, to fulfill the requirement on continuous improvement clause. Positions may include managers, engineers, executives, supervisors, leaders, technicians, etc.

OBJECTIVES

- To provide concepts of Ideation Validity framework
- To provide concepts of Creative and Analytical Ideation for problem solving
- To provide concepts of Critical Decision Making tools for accuracy
- To provide concepts of Fast Ideation Tools - Words Randomiser, etc.
- Expected outcomes - Participant shall be able to cultivate CIP practices with adequate motivation upon completion of this program. Support from higher level management is crucial to achieve success through CIP.

PROGRAM OVERVIEW

Continuous Improvement Program (CIP) has been progressively enhancing organisation business processes effectiveness, resulting in sustainable profitability, growth and general organisation performance and improvement. Without CIP, organisation will, over time, fail to maintain competitiveness unlike others. Hence, it is essential for organisations to provide platforms to encourage and regulate continuous improvement activities. Managing CIP requires good planning, resource allocation and provision of implementation support.
